RADIO BELIZE

GOVERNMENT BROADCASTING SERVICE

Ref. No.

Cable Address: Radio

Belize City,
British Honduras

1st October, 1963

Dear Sir,

This is to verify that your reception report was correct.

We are transmitting on two frequencies, that is, 834 k/cs. with a power of 20,000 watts, and 3.3 mg/cs. with a power of 5,000 watts.

We thank you very much for your report.

Sincerely yours,

(E. G. WAIGHT)
Ag. Chief Broadcasting Officer.

Ron B. Schiller,
National Radio Club,
Box 456
Monmouth Beach,
New Jersey, U. S. A.
